Being a graduate from NTEC New Zealand in International Business Management, he is all committed to offer accessible and professional Immigration services to individuals from all backgrounds.

STAFF & THE WORKING ATMOSPHERE

We have more than 100 employees in total, all very well skilled in their respective duties and departments. We work with the aid of a network of reliable sources and experts in the industry to provide clients with only the fault-proof, satisfactory immigration experience and very minimized, or free of, risks. Our workforce consists mostly of youngsters so there is a visible aura of enthusiasm and activeness in our everyday activities. We do value the resources the youth has to offer to the world and to us, as much as we believe in the fulfilment of young dreams. At Godspeed, every day begins with prayer services and meditation to conjure up the serenity & spiritual cleansing within ourselves.

This activity has a positive grip over the effectiveness of functioning among the staff. Also, every day gets kick-started with the sharing of the news of achievements and progress, boosting up the confidence of the entire Godspeed family. Review meetings are conducted on a weekly basis to recollect, analyze and evaluate the activities of each and every department.

Thus, we are constantly assessing and improving our potential. We collectively offer only the best of services and complete attention to our clients with our unparalleled experience and dedication of staffs.

WHY GODSPEED?

Godspeed is a licensed, Government recognized firm who has been a trustworthy ally to the clients over, in the last decade. Applying for a visa can be very much a time consuming process and at times complicated than expectations. A Licensed consultant like Godspeed has specific knowledge, skills and service expertise that reduces the applicant's exposure to undesirable elements and difficulties during the period of the visa application. This why you can trust us:

Migration rules and regulations are extremely strict and an applicant totally unaware of all these terms & conditions can easily lodge an invalid application. Godspeed makes you aware about the rules and procedures beforehand.

Visa applicants might not be always aware of the most suitable visa for them because of the numerous options flooding before them. Godspeed walks you through every option available.

Incomplete or inaccurate visa applications will result in time delay and may result in the requirement of a reapplication. Also this will lead to the situation where the Government will not refund the application fee. Godspeed checks on you and your data thoroughly and throughout.

Applicants are sometimes requested to provide more information or attend interviews by the concerned authority. Godspeed is the best option to guide the applicants to pull off these situations effortlessly.

OUR SERVICES

We provide excellent consultation services, expert legal advice and representation in all the immigration related caseworks from the very basic to complex entry clearance. We provide our assistance to those who aspire to settle, work or study abroad in countries like Canada, Australia, United Kingdom, Germany, Spain & New Zealand.

We provide support for visa petitions & immigration applications for permanent residence and temporary residence, family reunification, citizenship, dependent, independent, tourist, business or investor pass and student visas.

Education Abroad

Most of us desire to study abroad and turn a major page in our lives. With every book we read, every movie we watch, we feel like exploring the next steps ahead in our lives somewhere far away that we have seen and read so much about. The human trait wanting to try and discover and the young urge to take up challenges and face life ignites our desire to go out into the world. And what's a better choice than choosing to pursue your higher studies abroad? There, we learn the life and learn the courses.

STUDY

Studying abroad not only pushes you to carry on the next phase of your life in an abroad university but rather there are of course, numerous reasons as to why you should pursue your desire to study abroad.

- Exposure to new culture
- A chance to see and feel the world
- A new and advanced system of education.
- A chance to develop and improve your language skills.
- Acquisition of new circle of friends which helps in developing social skills
- Finding new interests or a place to polish your abilities and interests.
- Career advantages and advancements.
- Becoming independent and being on your own terms.

Our Study Services Extend to the Following Countries :

UNITED KINGDOM

There are several world-class higher education institutions in the UK. Their post-study work visa rules and the scholarships and financial benefits offered to international students make it a popular destination for higher studies abroad. Degree acquired from universities in the UK is recognized worldwide. The duration of study in the UK is shorter.

AUSTRALIA

Australia has been, and will always be, one of the most chosen destinations for higher education by students from different corners of the world. The country is known for its world class institutions, particularly the Group of Eight. Their quality of living is another factor that attracts people to this country. Melbourne is famous for its international community and the cultural diversity that brings with it. The city is considered as one of the most liveable cities in the world.

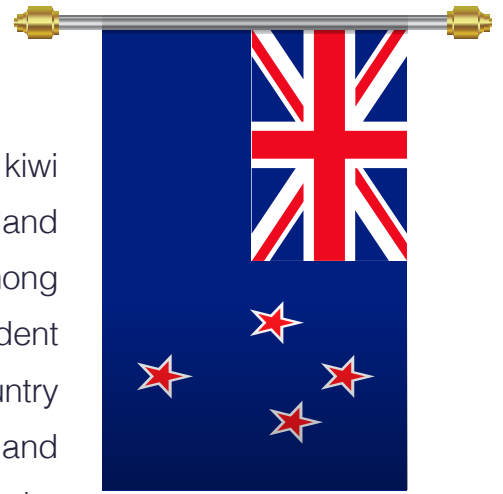

CANADA

Canada is increasingly becoming one of the widely chosen destinations for higher education. Owing to its multicultural community, along with its welcoming atmosphere, students from all over the world consider Canada to be an affordable and safe place for education. The country is a good back-up option for students who find the States expensive for their education. Moreover, Canada's international student-friendly post-study work opportunities make it one of the most loved student destinations.

NEW ZEALAND

New Zealand is famous for its indigenous people and kiwi culture; it's also a splendid place for education. New Zealand has several top international universities that are popular among Indian students. The country has a vast international student community and it maintains a close-knit ambiance. The country has a lot of adventure spots alongside several woodlands and parks. Students can choose an active lifestyle in the country through several recreation facilities.

GERMANY

There are hundreds of universities in Germany that have free or very low tuition fee programs available for international students. Whether you want to study Engineering, Medicine, Architecture, or Business, Germany is the place to be. Combining high quality education with a unique cultural experience living in Germany is the main reason why young people from all around the world come to Germany.

MIGRATION

We are alike birds, flying towards a clear sky and better green, in pursuit of our dreams. Migrating to another country in search of new prospects or to settle, is a life altering step that we all wish to take atleast at one point of our lives.

Leaving one's own home and familiar spaces is a brave step but it also comes along with a lot of uncertainties and doubts. Godspeed aims to assist you through this journey and help you to reach the other end of the path, where there is light. To have a more clear idea of what migration is, and everything related to it, read on !!

Benefits of Migration:

- ▲ Opportunities all over the world
 - ▲ Contribution to the human capital development in a global level
 - ▲ The opportunity to get a better job.
 - ▲ Improved quality of life.
 - ▲ Economic growth can be sustained.
 - ▲ Host countries are enriched by cultural diversity.
- ▲ Increased quality of life.
 - ▲ Improved health and educational outcomes.
 - ▲ The pension gap can be filled by the contributions of the new young workers and they also pay taxes.
 - ▲ Immigrants bring energy and innovation.

Our Migration Services Extend to the Following Countries :

CANADA

Canada is one of the best & sought after destinations in the world for immigration. Its advancing development, stable economy and high quality of life makes it one of the most livable and desirable countries in the world. Canada is also in high demand for immigrants & has opened its door to those with the skills and experience to give it a global advantage.

AUSTRALIA

Australia is one of the best and in-demand countries to apply for a Permanent Resident (PR) visa. Its exotic natural space, diverse cultural atmosphere & developed status makes Australia a top choice among the immigrants.
